Engineering for the World We Live In

Region X DRC

- Working with Jack Zarour to transition the DRC position to him in June
- Thanks to all the RVCs and Regional Officers for their dedicated service to me and to ASHRAE over these past 3 years
- Our Regional Treasury is about to be drained close to dry. Please help!

ASHRAE

Engineering for the World We Live In

Region X DRC

- Did not get to Mexico to see if a Section could be started there and added in our Region.
- Happy to see all chapters on track and thriving – thanks to the hard work of some dedicated people who invested a lot of themselves to make that a reality.

ASHRAE

Engineering for the World We Live In

Region X Best Practices

- Regional Newsletter, three times/year,
- Regional Website
- Enthusiasm of our people – want to have fun together, while doing ASHRAE work
- Dedication of our people to the Industry and to ASHRAE principles and purpose

ASHRAE

Engineering for the World We Live In

Region X Challenges

- Communication between DRC and RVCs and chapter leaders
- Identifying Area Assigned Members (AAM)
- Receiving award applications
- Retaining members and getting dues paid
